Dear Mr. Walsh, *Sean*:

I am writing in regards to the platform CIVIC 2030 from the Queens Civic Congress. After reviewing the platform, I would like to voice my utmost support for CIVIC 2030.

It is truly wonderful to view a platform that not only resolves current problems, but addresses future endeavors and concerns as well. There is no aspect of this proposal with which I do not offer my complete support. CIVIC 2030 provides concrete steps in maintaining the quality of life within the city, as well as steps to sustain its economic resilience. Furthermore, CIVIC 2030 addresses and improves upon the work of past proposals by dealing with the existing conditions within the city.

I appreciate your work on CIVIC 2030. This proposal is truly a testament to the dedication and determination of yourself and the Queens Civic Congress. If I can be of any further assistance on this matter, please feel free to contact my office in the future.

Sincerely,

A handwritten signature in cursive script that reads "D. Weprin".
