Dear Elected Official:

In August, then Queens Civic Congress President, Sean M. Walsh wrote to you sharing a copy – and inviting your review and endorsement – of the new Queens Civic Congress Platform for 2007-2008, called [CIVIC 2030](#). The Queens Civic Congress has published a [Platform](#) for the past ten years as a common and united statement of the collected views, concerns, and positions of the various communities of our diverse borough. The Queens Civic Congress member organizations unanimously approved [CIVIC 2030](#) after a formal review process, including a year of circulation among our membership for comments. If you have not been able to complete your review of [CIVIC 2030](#), we urge you do so now. In addition to posting the names of elected officials who communicate their support for [CIVIC 2030](#) on our website, the Queens Civic Congress will include a display listing all public officials endorsing [CIVIC 2030](#) at our 2007 Legislative Reception, Sunday, December 2, at the Douglaston Club.

[CIVIC 2030](#), available [online](#) or via this letter's links, represents a consensus of Queens residents on what needs to be done as a prerequisite for any future planning. [CIVIC 2030](#) provides concrete discrete steps necessary to maintain our quality of life and economic resilience as a city. PlaNYC – really a *development plan* – speaks in future generalities without dealing with existing conditions.

The Queens Civic Congress appreciates your review of this document and would appreciate your written response supporting [CIVIC 2030](#). Please do not miss this opportunity to be among your colleagues listed on the Queens Civic Congress website who support [CIVIC 2030](#).

Thank you for your consideration.

COREY B. BEARAK
President

RICH HELLENBRECHT
Vice President & Congress Platform Chair
