Our ancient heating system is dead;
We MUST refinance NOW!

**PRESSURE CHASE TO ELIMINATE OR REDUCE
THEIR PREPAYMENT PENALTY**

Help save our unique, historic, middle class housing. Our heating system is 60 years old and has already failed completely in some areas of our 34 acre urban forest.

Chase holds our current mortgage; refuses to refinance a new heating system; and demands a \$5 million prepayment penalty for refinancing with another bank.

They are holding us hostage; strangling our co-op; risking displacement of 675 families, including rent stabilized tenants.

Bring your voices; bring your signs; most importantly BE THERE. We need your support—it's a matter of survival.
