

It may not be [Deutsche Bank](#) and certainly not the [fire](#) in Woodside, but the DOB actions, or lack thereof at St. Saviors just boggle the mind.

Queens Civic Congress' Landmarking and Historical Preservation Chair Paul Graziano emailed DOB during an exchange initiated by Newtown Historical Society President Christina Wilkinson: "This is beyond an outrage. Seriously - are you going to do your job and shut this down or are we going to have to go to the DOI or the Feds and get more of your inspectors thrown in jail for falsifying reports and potentially taking bribes? Shut this job down now!"

Look at the articles and videos linked below.

These photos and videos don't lie:
