Dear Mr. Shorris:

On behalf of the Queens Civic Congress, a coalition of 100 civic, condo, co-op, tenant and other community organizations representing every community in the borough of Queens, I write to urge that funding for the study and planning of ways to improve the movement of freight to New York City from New Jersey also study impacts of truck traffic in the borough of Queens. The most talked of terminus for a Cross Harbor Rail Freight Tunnel has been Maspeth, Queens. It makes absolute sense to factor the impacts on the communities of Queens and review additional terminals including for Long Island and Southeast Brooklyn which is proximate to JFK Airport. The Port Authority must ensure the real concerns of Queens communities and its residents get heard.

Truck traffic in local communities dominated much of the discussion from those who attended my Monday, October 15 Installation as President of the Queens Civic Congress. A Cross Harbor Tunnel should not mean the displacement of New Jersey's problems to Maspeth, Queens and local streets throughout the borough as haulers seek to avoid congested highways. The Queens Civic Congress platform, *CIVIC 2030*, clearly expresses this imperative.

The Queens Civic Congress would welcome a presentation by The Port Authority. Our meeting schedule appears on our website, QueensCivicCongress.org.

Thank you for your attention to this matter.

Sincerely,

Corey Bearak
