St. Saviour's press conference and donation info
by Christina Wilkinson, Secretary, Juniper Park Civic Association

This past Monday, the Juniper Park Civic Association held a press conference at St. Saviour's Church. Unfortunately, due to inclement weather, the owner would not provide access to the building. (But we took photos of the interior and exterior over the weekend. Photos: http://www.stevegarza.smugmug.com/gallery/4610595_ynCX9)

The media turned out in force on Monday, and now word is getting around about how the little church built in Maspeth in 1847 is on its way to being saved.

We do anticipate needing additional donations to fully restore the church. If you wish to donate, please make check out to:
