Hon. Adrian Benepe  
Commissioner  
NYC Department of Parks & Recreation  
Arsenal West, 16 West 61st Street  
New York, NY 10023

Dear Commissioner Benepe:

Queens Civic Congress, an umbrella organization comprised of over 110 civic, condo, co-op, tenant and other associations throughout the borough of Queens including the Property Owners Associations in Belle Harbor and Neponsit, as well as the Bayswater Civic Association, Deerfield Area Association, and Rockaway Park Homeowners and Residents Association, and the Rockaway Waterfront Alliance expected both the assignment and deployment of a full contingent of well-qualified lifeguards to provide adequate and safe coverage along Rockaway's 14-mile stretch of shoreline each day from Memorial Day through Labor Day of this year. That need remains unmet nearly one month into the season.

Despite commitments and assurances to the contrary, the facts on the ground indicate more than a few beaches continue to receive inadequate coverage. Since Memorial Day, beachgoers found red flags flying indicating "No Swimming Allowed" along the too many stretches of Rockaway shoreline. This intolerable situation must change.

Queens Civic Congress, in statements, letters and testimonies, urges that,

*The NYC Department of Parks & Recreation create the safest possible swimming conditions along the City of New York's shoreline where confident, well-trained, and competent lifeguards protect the tens of thousands of swimmers who have a right to expect optimum safety measures be in effect along Rockaway's coastline each day (from Memorial Day through Labor Day).*

The lack of deployments also make clear the need for a Queens-based training and testing facility to best ensure a full compliment of lifeguard candidates each year.

Please advise when the public can expect all of our beaches to be fully and completely open.

Thank you.

Sincerely,

*Corey Bearak*

Corey B. Bearak  
President
