

Just a note to inform you that the Queens Colony Civic Association is holding another demonstration against the proposed construction of a hotel on the northeast corner of 249th Street and Jericho Turnpike (formerly Jamaica Avenue). Frozen Cup has been demolished but we still want to send the word out to the property owners that a hotel is totally unacceptable. We are asking for support from as many of you that can make it that day. We are only asking for one hour of your time. We have notified the media but at this point in time we are not sure as to who will show up. If anyone can help with media coverage it would be greatly appreciated.

-Angela Augugliaro, President, Queens Colony Civic Association

QUEENS COLONY CIVIC ASSOCIATION

TO THE RESIDENTS AND FRIENDS OF BELLEROSE **PROPOSED HOTEL PROPERTY UPDATE**

Queens Colony Civic Association is again asking for your support for a “show of force”

WHEN: Saturday, May 2nd, 2009

TIME: 10am

LOCATION: Corner of 249th Street & Jericho Turnpike

Frozen Cup has been demolished!!! We want to make sure that the owners of this property hear loudly and clearly that we do not want a hotel on the site of the former Frozen Cup property. We also want the construction fence taken down and replaced with a proper fence. Please consider spending one hour with us to help show the neighborhood that we do not want or need another hotel in this area and that This Place Matters!

SHOW THE NEW OWNERS THAT WE ARE AGAINST THE BUILDING OF A HOTEL/MOTEL ON THE FORMER FROZEN CUP PROPERTY.

YOU WERE THERE IN THE COLD AND IN THE RAIN!!

WE ARE AGAIN ASKING FOR YOUR SUPPORT.

Please let your voice be heard!

Invite your neighbors and friends to join us. Protest signs welcomed.
